**ORDER OF DISMISSAL FOR LACK OF JURISDICTION**

On December 7, 2015, an imperfect petition, not accompanied by payment of the Court’s filing fee, was filed to commence the above-docketed case. By Orders dated December 10, 2015, and June 21, 2016, the Court directed petitioner to file an Amended Petition and to pay the Court's \$60.00 filing fee or submit an application for waiver thereof. Subsequently, petitioner paid the filing fee. However, because no Amended Petition was received, the Court by Order dated August 16, 2016, afforded petitioner a final opportunity to file an Amended Petition and thereby to avoid dismissal of this case. Petitioner has failed to do so.

In view of the foregoing, it is

ORDERED that, on the Court’s own motion, this case is dismissed for lack of jurisdiction on the ground that petitioner failed to file a proper Amended Petition.
