ORDER

On December 7, 2017, correspondence from or on behalf of petitioner, not accompanied by payment of the Court’s filing fee, was filed as a petition to commence the above-docketed case. By Orders dated December 13, 2017, and October 11, 2018, the Court then directed petitioner to pay the Court’s \$60.00 filing fee or submit an application for waiver thereof. Although petitioner has not done so, further review of the amended petition filed January 29, 2018, and of an additional letter from petitioner filed March 19, 2018, shows that such documents incorporated discussed of petitioner’s financial circumstances.

Accordingly, the premises considered,

ORDERED that the Court’s \$60.00 filing fee for this case is waived, and petitioner is no longer required to pay such amount.
