ORDER

On March 22, 2019, petitioner filed in the above-docketed matter an Ownership Disclosure Statement. However, such statement is incomplete in that it contains no disclosures; rather, it bears only petitioner’s signature but is otherwise blank. As relevant here, the form directs petitioner to list all parent corporations and entities owning 10 percent or more of petitioner's stock OR to state that there is no such parent corporation or entity.

Accordingly, the premises considered, it is

ORDERED that, on or before April 15, 2019, petitioner shall file a supplement to the just-referenced Ownership Disclosure Statement completing the requested information as explained above.
