Currently pending before the Court is petitioner's Motion for Summary Judgment, together with 16 supplements to the motion, all of which were filed on March 6, 2015. However, petitioner has not complied with the Tax Court's instruction as set forth in its Electronic Case Access and Filing Guide with respect to the submission of a hard copy of an eFiled document in excess of 50 pages. The Guide, which is located on the Tax Court's website under the eAccess tab, states that a party who files electronically "must send a paper courtesy copy of any eFiled document longer than 50 pages to the assigned Judge and all other parties in the case."
