ORDER

On June 24, 2020, the Commissioner filed a motion for entry of decision (Doc. 34), proposing a zero deficiency and no penalty due for the 2005 tax year, after the application of I.R.C. section 6015(b), and that there is no overpayment in income tax due to petitioner for the 2005 tax year. The motion states that petitioner objects. It is therefore

ORDERED that, if petitioner Doris A. Whitaker objects to the Commissioner’s motion for entry of decision, then on or before July 24, 2020, she shall file with the Court and serve on the Commissioner a response to the motion, explaining why that motion should not be granted and a decision entered in this case.
