

Petitioner Access Request Form Instructions

Petitioners who would like to request electronic access to information and documents in their case(s) through the Court's eAccess system may fill out and submit the Petitioner Access Request Form. Fields marked with a red asterisk are required.

After the form has been submitted and the information verified, a letter containing registration instructions will be sent via the U.S. Postal Service to the address indicated in the Court's record.

Note: The Petitioner Access Request Form is for the use of petitioners only. Counsel for petitioners may register for Practitioner Access only after being admitted to practice before the Court. Unregistered practitioners may request registration instructions by contacting the Admissions Section at 202-521-4629.
