SendPro® C200

Make the smart sending choice every time.

Starting at $36.99/mo.*

An all-in-one solution.   **View Options**

The SendPro C200 is the simplest, all-in-one technology for office mailing and package shipping. It is a complete sending solution that eliminates guesswork, allowing you to process mail and send packages all from one place.

- Process daily mail and print postage quickly and accurately.
- Compare options from three major carriers like USPS® and UPS®.
- Weigh packages and print shipping labels right from your system.
- 60-day free trial* and $50 free postage coupons.**

Offer good for new customers only.

* The cost of postage and supplies is not included in your free trial or your rental fee. The monthly rental fee of $36.99/mo., $46.99/mo. or $56.99/mo. will apply depending on the model you choose, unless you cancel during the 60-day free trial period. If you decide to return your equipment, the unused postage will be refunded by the U.S. Postal Service.
** Postage coupons redeemable after the free trial period, if you do not cancel.

Easy to use.

The color touchscreen display helps you make the ideal choice of carrier and services for your needs. Digitally connected so you are always up to date with postal rates. And, with low ink alerts, service warnings and diagnostic notifications, it is a low maintenance system. Short "how-to" videos on the display support training and daily use.
