Stamps.com Company Information

Stamps.com (Nasdaq: STMP) is a leading provider of Internet-based postage services. Stamps.com's online postage service enables small businesses, enterprises and online retailers to print U.S. Postal Service-approved postage with just a computer, printer and Internet connection, right from their home or office. The Company targets its services to small businesses and home offices, and currently has PC Postage partnerships with Avery, Microsoft, HP, the U.S. Postal Service and others.
