Schedule a Pickup

Once you pay for and print your postage label, you can schedule a free Package Pickup² right from your home and include specific instructions for your carrier. Or for a fee, you can request a specific day and time for pickup.

Set Your Shipping Preferences

Have a type of domestic package you ship most? Want to get messages with tracking updates? Need to notify recipients of shipments? It's easy to set these preferences and more, which can save you time.

Send Many Things to Many Places

If you're sending identical packages to several places, creating a batch order makes it easy to print up to 20 labels with postage at once.
