

# 2023 LAW CLERK INTERVIEW DAYS SEPTEMBER 18-25

## U.S. Tax Court Law Clerkship Experience

The mission of the U.S. Tax Court is to provide a national forum for the expeditious resolution of disputes between taxpayers and the Internal Revenue Service; for careful consideration of the merits of each case; and to ensure a uniform interpretation of the Internal Revenue Code. Visit the Court's website for more information.

Typically, law clerks work for a judge at the main courthouse in Washington, D.C. for a term of one or two years. A clerkship will provide you with a solid tax law career foundation, whether you are interested in a controversy or transaction path.

Participating judges are listed on the Court's website, where you will submit your application package. You may apply to as many judges as you wish, provided you meet their unique requirements.

If you are selected for an interview, the judge's chambers will contact you to coordinate. You may request a virtual interview.
